

In the Name of Allah, the All-Beneficent, the All-Merciful

وَإِذَا تَوَلَّى سَعَى فِي الْأَرْضِ لِيُفْسِدَ فِيهَا وَيُهْلِكَ الْحَرْثَ وَالنَّسْلَ وَاللَّهُ لَا يُحِبُّ الْفُسَادَ

(If he were to wield authority, he would try to cause corruption in the land and to ruin the crop and the stock, and Allah does not like corruption.) (The Holy Qur'an, Surah Al-Baqarah, Verse 205)

Yes, if the non-deserving and ineligible person comes to power, he will corrupt everything and will be of no benefit except destruction! The fake and usurping Zionist regime, which was formed by the sinister plan of the colonialists and with the aim of usurping Palestine and destroying the homes of the oppressed people Palestinians, has once again revealed its true face and has engaged in a great crime in the Gaza Strip. The child-killing Zionist regime has, so far, displaced many people from their homeland and killed countless men, women, and children.

The brutal bombing of the Al-Ahly Al-Mamadany Hospital in Gaza, which shocked the world, is evident and undeniable proof of the brutality and non-compliance of the bloodthirsty Israeli regime with humanitarian and international laws.

The usurping Zionist regime, which does not abstain from any crime to achieve its inhuman and illegitimate objectives, has repeatedly shown that it does not have mercy on non-Muslims either. These days, when the Muslim people of Gaza are under the most brutal bombardments, even the Saint Porphyrius Church, which is the third oldest church in the world, has not been spared.

While strongly condemning the heinous crimes of the Zionists in Gaza, the Center for Interreligious and Intercultural Dialogue calls for enlightening public opinion - both at the domestic level and internationally - about this cruel genocide. Furthermore, by calling on religious leaders and personalities of different regions of the world to adopt a unified stand against the Zionist regime, his center is also trying to make this aggressive regime accountable for its shameless crimes.

Hoping for the elimination of oppression throughout the world,

The Center for Interreligious and Intercultural Dialogue
